

The logo is a circular emblem with a dark green background and a thin gold border. In the center is a light green silhouette of the state of Maine. Above the map, there is a stylized illustration of various food items, including a bottle, a bowl, and some produce, with several short lines radiating upwards from the top, suggesting a sun or a burst of energy. The word "Mainely" is written in a large, white, cursive script font, positioned over the upper part of the map. Below it, the word "PROVISIONS" is written in a white, bold, sans-serif font with a slightly distressed or textured appearance. This word is enclosed within a horizontal gold-colored rectangular banner that has rounded corners. On either side of the word "PROVISIONS" inside the banner is a small white five-pointed star.

*Mainely*
